“Welcome to Ayrburn, where design and people are at the heart of everything we do. Attention has been given to every detail, big and small, to bring people together for an all in, good time. Ayrburn is part of Winton, a proud New Zealand company known for its best by design philosophy to create vibrant neighbourhoods where people thrive. The Manure Room is where I intend to share a laugh with friends over a bottle of Ayrburn wine. I invite you to do the same.”
